These newspaper advertisements for construction permit applications will be or was published on the following date: June 12, 2018. Public notices are generally published every week. The previous publication of public notices was June 7, 2018.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Rogers Group, Inc. – Livingston Quarry with a mailing address of 421 Great Circle Road, Nashville, TN 37228. They seek to obtain an air contaminant permit (Division identification number: 67-0013-01/74011) for modification of an existing rock crushing and sizing operation located at 215 School Mountain Road, Livingston, TN 38577. This existing operation consists of crushers, screens, pugmill, conveyors, and associated equipment used for crushing and sizing rocks. The requested modification is to increase the maximum plant capacity. Wet suppression is used for pollution control. There would be no physical construction. Regulated air contaminants emitted by this source would increase. Mr. M. Baghernejad is the assigned Division person.

For the Overton County “Livingston Enterprise” publish once on Tuesday, June 12, 2018.
